8 February 2011

Click Energy waives account debt for QLD flood victims

Like most, Click Energy is saddened by the devastation of the recent QLD floods and wants to do our bit to help and support our affected customers.

Which is why, from 31 January 2011, Click plans to write off any outstanding debt for all of its customers who are still without power or who have lost power for an extended period of time due to the flood conditions.

Click is the newest competitive energy retailer in QLD, and offers real savings on customer electricity bills. As an online energy retailer, we may not have the manpower to physically help with the cleanup – but we still want to do what we can to assist those affected by the floods.

To compare the price you are paying now, and to see if you can save money off your electricity bill with cheaper energy rates visit us at www.clickenergy.com.au.

By signing up with Click, you'll also save an additional \$50.

About Click

Choosing an electricity company should be easy.

Click Energy started supplying electricity in Victoria in 2006 and entered the QLD market in May 2010. In this time, we've been one of the cheapest electricity retailers in the market – and we plan to stay that way.

As an online electricity company, we don't have the same overheads as other energy companies. With our customer base continually growing, we can achieve economies of scale, which translates to real savings in our operating model. The benefits of this model allow us to absorb industry cost rises – and in turn share our savings with our customers.

And we do.

Click is Australian owned and operated with offices in Melbourne and Brisbane. Contrary to today's public perception, we want to do our bit to help people in managing the ever-increasing cost of living... and our mandate is to always provide cheap electricity to our customers. Click runs a 'no paper bill' operation, and won't charge for credit card payments. We don't have lock in contracts or exit fees, so if you do find we aren't the cheapest then we don't deserve your business!

To see how we can save you money, visit us at www.clickenergy.com.au or call one of the team on **1800 775 929**, and...
