energy

Price of Electricity supplied to you by us

- **Online - 7% discount off your total bill***
- **An extra 5% 'Heat Shield' discount for Victorian residents****
- **Quarterly or monthly bills subject to your meter reading cycle**
- **Tree friendly email bills**
- **No exit or credit card fees**

Eligibility

The details presented in this Document are for a residential customer and your tariff will be defined by your distributor and your network tariff arrangements. If the distributor changes your tariff we may also change your tariff and billing cycle. The contract will commence on the date you accept our offer and the actual transfer will occur on the next scheduled read date or move in date.

Online Discount

*The prices listed do not include the online discount. Discounts do not apply to Click Natural. To receive the discount you must receive your bills by email and pay by the due date using one of our approved payment methods. This discount will be credited to your subsequent bill and the amount of the discount you receive can change, unless guaranteed for a period of time. If the amount of the discount does change you will be notified on your next bill.

Heat Shield

**The prices shown include this discount. An additional 5% discount to the Peak rate applies once you have used more than 500 Peak kWh per register (approximately \$100) in any month. Currently available to Victorian residents only.

Price of Electricity

These electricity tariffs and the amount of the discount you receive can be changed from time to time, if these do change you will be notified on your next bill. Click Energy's current pricing can be found at www.clickenergy.com.au

Termination or Cancellation

There are no exit fees, so you can leave us when ever you want to! However you must notify us at least 3 business days in Victoria and 5 business days in Queensland before you intend to vacate a supply address, provide safe access to your meter and, if you are not remaining with us, provide us with a forwarding address

for the final bill. If you do not do so, you will remain responsible for any electricity consumed at the supply address.

You have a right to cancel this Contract up to 10 business days after you enter into this Contract. You must email us at coolingoff@clickenergy.com.au stating that you wish to exercise your rights to rescind this contract. If you are deemed to have a contract with us this right to cancel this contract may not apply. All registration fees or connection charges are not refundable once the cooling off period has expired.

Payment Methods

The approved payment methods are BPAY, over the telephone, via the internet or by Direct Debit. American Express, Mastercard and Visa are accepted.

Complaints

To view Click Energy's Complaints handling procedures please visit www.clickenergy.com.au

Commission

If you have agreed to switch to Click Energy on any of the online switching engines a fixed fee or commission is normally paid by us to the online switching business. We also pay the utility connection business On The Move Pty Ltd a fixed fee for managing the process of connecting, reconnecting and disconnecting your electricity supply.

About this document

This price and product information statement is presented in accordance with the requirements of the Essential Services Commission (ESC) - the independent regulator of the retail energy industry in Victoria. For information about choosing an energy retailer, visit www.esc.vic.gov.au/yourchoice. This document also complies with the Queensland Energy Regulator the Department of Mines and Energy and is compliant with the Electricity Industry Code for Queensland.
